TEAM NEWS

The gym is buzzing about the Silver Team's fantastic event for the entire CCA family called Silver Night of Stars, happening on Saturday January 14th from 7 – 10pm. The evening will be full of various messy games, stunting, makeovers, pajama contests and opportunities to win amazing prizes like tumbling privates, custom t-shirts and custom cheer bows! We are so excited!

The Silver Team is also putting the finishing touches on their routine as we prepare for our qualifier competition for US Finals on January 28th. For all those hard working Silver girls, the hard work will pay off big time.

COACHES CORNER

Remember Silver Girls! Silver Night of Stars is just around the corner! Make sure your all available all day Saturday January 14th!

Also, our practice uniform situation is getting a little out of hand. Let's dedicate Tuesday's practice as back t-shirt & blue shorts and Saturdays practice with your white silver t-shirt & blue shorts. Looking like a team makes a huge difference – practice like a team, look like a team.

CCA UPDATES:

CCA is happy to introducing two new CIT's to the CCA family:

Shannon Maxwell and
Carolyne Bromley

Upcoming Events:

Athlete of the Month

Carolynne, also known as “Cars” has always been a fantastic well-rounded athlete. While she’s incredibly smart behind the books at school, she’s stands as one of the top tumblers in the entire CCA Family as well as being amazingly versatile when it comes to stunting, having topped all year on Italy’s Elite Team last year, she now bases on this year’s Silver Team and tops on Pre-Elite. Also as of the New Year, she will be joining our Coaches In Training (CIT) program to pass on her love of cheer & tumbling to our younger athletes! We are excited to see how much this already incredible athlete, will grow in 2012!
